

Program	No.	Course Title	Duration/ Days	Fees in dollars	2016			2017				
					October	November	December	January	February	March	April	May
Urban Development	1-1	Local Economic Development through Strategic Planning	5	600		(20-24)						
	1-2	Integrated Strategic Planning for Cities and Regions	5	600							(2-6)	
	1-3	Land Management and Informal Settlements Development	5	600						(26-30)		
	1-4	Metropolitan Agriculture & Urban Planning	5	600			(11-15)					
	1-5	Planning and Development of Industrial Areas	5	600			(4-8)					
	1-6	Planning and Development of Workshops and Warehouses Areas	5	600				(8-12)				
	1-7	Rehabilitation and Maintenance of Heritage Areas in Cities	5	600						(9-13)		
	1-8	Local Decentralization for Urban Development Management	5	600						(16-20)		
	1-9	The Role of Urban Observatories in Urban Development	5	600							(30-4)	
Environmental Management	2-1	Environmental Impact Assessment of Projects	5	600	(9-13)							(21-25)
	2-2	Strategic Environmental Assessment "SEA"	5	600		(27-1)						
	2-3	Sustainable Rating Systems for Buildings and Neighbourhoods (LEED)	5	600			(18-22)					
	2-4	Integrated Solid Waste Management and its Impact on Urban Development	5	600			(25-29)					
New approaches in the field of Architecture and Planning	3-1	Energy Efficiency in Urban Planning	5	600	(23-27)							(7-11)
	3-2	Urban Mobility and Energy Efficiency	5	600		(27-1)						
	3-3	Urban Management Tools and Climate Change	5	600						(9-23)		
	3-4	Green Architecture and Sustainable Management	5	600		(6-10)					(23-27)	
Project Management	4-1	Price Analysis and Bids' Offering for Projects	5	600				(1-5)				
	4-2	Leadership Skills	5	600	(16-20)							
	4-3	Planning and Management of Informal Settlements Upgrading Projects	5	600				(16-19)				
	4-4	Project Management	5	600					(12-16)			
Computer Applications in Urban Development Fields	5-1	Basics of Revit-Architecture Module	5	650				(29-2)				
	5-2	Advanced Applications of Revit -Architecture Module	5	650					(5-9)			
	5-3	Data Entry and Analysis by (Arc-GIS)	10	1000					(19-23)			
	5-4	GIS Applications in Urban Development	5	650							(9-13)	
	5-5	Environmental Design Applications by Ecotect	5	650		(13-17)						
	5-6	Urban Environmental Planning Applications by ENVI-met	5	650						(12-16)		
	5-7	Design Builder as a Computer Application	5	650						(5-9)
